OFFICIAL OPENING

Today, December 21, is the coronation day of Old King Winter, his reign beginning officially and continuing until March 21. However the King got in a few days extra time, judging from the weather of the past week. 'Tis rather warm this morning but the weather bureau gives out the following forecast for today (we won't vouch for it):

"The Southern front of the cold wave had this morning reached Southern Missouri and Central Illinois. The cold wave will spread slowly southward and should begin to be felt in this section tonight. The temperature will fall steadily during Thursday, but the full effect of the cold wave, probably bringing zero temperatures, will not be reached before Thursday night.

Make his Christmas happy by giving him a Lounging Robe or Smoking Jacket from D. Hechinger & Co.

PRAYER MEETING

Regular weekly prayer meeting services at the Third Street M. E. Church this evening 7 o'clock will be led by pastor, Rev. S. K. Hunt.

All are cordially invited to attend this service. A Christian welcome awaits you.

The choir will practice immediately following this service.

RIVER NEWS

The gauge marks 9.9 this morning and rising.

The warm spell now in sway will have the tendency to cause a decided rise in the stage of the river.

DOMESTIC SCIENCE SCORES A POINT

A recent issue of the Oxford, North Carolina Public Ledger prints the following complimentary reference to Mrs. Annie Cummings, formerly of Maysville and a widow of the late J. H. Cummings:

The Domestic Science Department of the Oxford Woman's Club, having for its chairman that splendid lady, Mrs. J. D. Brooks, gave a demonstration in cooking last Thursday in the Mitchell building. Mrs. Annie Cummings, of Kentucky, now the domestic science teacher at the Oxford Orphanage, was the demonstrator. She is a graduate of the American School of Home Economics and has had an experience covering six years in the art of cooking. When beefsteak is not palatable it is customary to charge the shortcomings to the beef or the butcher, and in many instances the butcher is at fault. In this demonstration a quantity of beef was secured, not unlike beef that is consumed in Oxford every day. Mr. Hubert Turner, the butcher, was present and carved the meat according to the directions of Mrs. Cummings. The cooking process was simple enough but it is all in knowing how. The taste, flavor, and aroma were the points of excellence attained by this gifted lady. Mr. R. L. Brown, superintendent of the Oxford Orphanage, is to be congratulated in securing Mrs. Cummings as domestic science teacher. From the institution will go many girls to brighten and make the home world while by a knowledge of domestic science as taught them by this superior lady. And then, too, it is well to have Mrs. Cummings in our midst, since none are too old to learn at her hands. Mrs. Cummings was happily introduced to the club by Mrs. Henry Cooper and D. G. Brummitt gave a demonstration in scientific dish washing.

Community Silver always makes a most acceptable gift. Mike Brown is showing a complete line.

WHAT CHRISTMAS SEALS DO

Every Red Cross Christmas seal that is sold is a real bullet in the fight against tuberculosis.

These seals last year helped to support thousands of needy tuberculosis patients and to give them a chance for life.

They provided for many visiting nurses whose hundreds of thousands of visits brought instruction and cheer to numerous patients.

They helped to maintain dispensaries in scores of cities, from the Atlantic to the Pacific, where thousands of consumptive patients received free treatment, aid and advice.

They provided the means to purchase millions of copies of circulars, pamphlets and other literature with which the public has been educated about tuberculosis.

They have established and helped to maintain more than 300 open air schools for children who need open air treatment.

These are just a few of the ways in which the hundreds of thousands of dollars received last year were expended.

This year much more is needed. Surely any one can help by buying at least ten seals.

The Maysville Public Schools will close tomorrow at noon for the Christmas holidays, reopening on Wednesday, January 3. Several of the different rooms in the school have planned Christmas entertainments for tomorrow morning. At the High School a literary program will be held during the regular chapel period.

In the Mason Circuit Court yesterday Clarence Malins, S. K. Pollitt and Robert Pollitt, late partners as Malins & Pollitt, filed suit against W. E. Strausbaugh for \$258.50 for a debt which the defendant owed the plaintiffs. They are represented by Hon. Stanley F. Reed.

Dr. J. W. Porter and Rev. Owen Williams will assist Pastor N. F. Jones in the ordination of Mr. John I. Claybrook to the deaconship of the First Baptist Church tonight at 7 o'clock. Public invited.

Circuit Court reconvened this morning after several days recess. The court will probably only hold sessions two days and then adjourn until after the holidays.

Little Miss Georgia Fizer, daughter of Policeman and Mrs. Dudley Fizer, who has been quite ill, is reported as improving.

Don't worry about what to give a man for Christmas. Just determine to come to Hechinger's for it.

ENDORSED AT HOME

Such Proof as This Should Convince Any Maysville Citizen.

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Maysville adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

Frank Taylor, barber shop, 401 E. Second St., Maysville, says: "A few months ago, I had a slight attack of kidney trouble, and my kidneys were irregular in action. The kidney secretions were too frequent in passage and then again, were scanty and highly colored. I had a dull, steady ache through the small of my back and my back was weak. Four boxes of Doan's Kidney Pills, which I got at Chanslor's Drug Store, cured me of the complaint."

Mr. Taylor is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that cured Mr. Taylor—the remedy backed by home testimony. 50c all stores. Foster-McBirn Co., Props., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

BOOTH IN POSTOFFICE

The Mason County Health League has established a booth in the Postoffice for the purpose of selling Red Cross Seals to those who care to purchase them. This is a most worthy cause and it is hoped that many of Maysville's citizens will purchase the stamps. These stamps are being sold in order to gain money to fight the treat White Plague.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
